

### **Land & Sea Rewards Club Rules:**

Join our frequent dining program, The Land & Sea Rewards Club, and earn one point for every dollar spent on food and beverages at Windjammers, Granite Steak & Grill or Smokey's Tavern. Receive **DOUBLE POINTS** on Mondays and Tuesdays on the purchase of food & beverages, excluding Holidays.

We keep track of the points for you, when you've earned 150 points, we will automatically convert those 150 points into \$10 redeemable at any of the above mentioned locations.

You must be 18 years or older to receive a Land & Sea Card

Points also apply to take out orders, and the purchase of gift certificates (unless promotion going on).

Points will not be added for gratuities, discounts, taxes, or redeemed gift certificate amounts, but will be added for the remaining amount.

Limit of one transaction per visit. You may either add points or redeem dollars on a transaction. You can not redeem dollars then add points to any balance left. For example if your check comes to \$100 and you redeem \$20 from your Land & Sea card you are not eligible to then add 80 points for the "balance" of your guest check.

Points will only be issued the day of purchase; if card is forgotten on day of visit itemized receipt must be signed by a manager on duty to be able to receive points on next visit. No missing points will be credited without a receipt.
